EXPERIENCE

Associate Interaction Designer. R/GA.

June 2010-Present

Working on user interaction, wireframes, and problem solving for large web-based client projects.

Design Intern. Celery Design Collaborative.

June-August 2009

Worked on various print and web design tasks at the Berkeley, CA firm. Tasks included designing a multi-page green building guidebook, working on sustainability reports for companies like HP and Brown-Forman, and working on booklets for use in a sustainable design workshop.

Designer. STUDIO for Creative Inquiry at Carnegie Mellon.

September 2009-present

I do print and web design work for this office in the College of Fine Arts and the art projects and events it supports.

Designer. Fitwits Project.

June-August 2008

Conducted research and developed tools to teach 9-12 year olds about healthy eating habits during a doctor's office visit.

Computer Cluster Consultant. CMU School of Design.

September 2008-present

I do color and large-format printing for student work and monitor the Reese computer cluster.

Teaching Assistant. CMU School of Design.

September-December 2008

Assisted teaching the freshman Design Drawing 1 class.

Freelance. Three Rivers Arts Festival/Restorative Events.

May 2008

Designed a signage system that was part of the Three Rivers Arts Festival's new Zero Waste Campaign that directs and educates visitors on recycling and composting food court waste.

Waitress. McCarthy's Tea Room, Bethlehem PA.

May 2007-January 2008

Waited tables, plated food, and served tea to people in a busy restaurant setting.

ACTIVITIES

AIGA Student Chapter. Co-President.

September 2008-May 2010

Organized and promoted trips and events and facilitated support for the members of the Carnegie Mellon AIGA student chapter.

Andrew Carnegie Society Scholar. 2009-2010

One senior student is chosen per department at Carnegie Mellon. This group practices philanthropy inspired by the work of Andrew Carnegie.
